OCT 7-8 & NOV 3-5 CRIMINAL DEFENSE TRAINING ACADEMY

Develop Fundamental Skills for Representing Indigent Defendants in Adult Criminal Cases

Apply to join us for this highly interactive program designed for attorneys who want to improve their public defense skills. Our October sessions will be held virtually, and we plan to gather in-person in November at Spokane Community College. We will follow government safety guidelines to reduce the risk of spreading COVID-19. The application is competitive, and preference will be given to attorneys who are new to public defense practice and are from rural jurisdictions that typically lack CLE opportunities.
